IMPLEMENTATION OF ADOPTED TRAFFIC SEPARATION SCHEME (TSS)
"OFF FINISTERRE"

1 The Secretary-General has the honour to state that pursuant to Assembly resolution A.376(X) the Maritime Safety Committee, at its fifty-seventh session, adopted a new traffic separation scheme "Off Finisterre" subject to racons being installed on the lighthouses at Cabo Villano, Torinana and Finisterre and the satisfactory demonstration of their effectiveness for position-fixing within the TSS and its immediate approaches before the scheme was implemented on a date determined by the Spanish Administration.

2 The Government of Spain has subsequently informed the Secretary-General that trials of the racons installed on the lighthouses at Cabo Villano, Torinana and Finisterre have been satisfactory and that the aforesaid traffic separation scheme will be implemented on 1 February 1990 at 0000 hours UTC.
