

LOCAL NOTICE TO MARINERS

District: 1 Week: 46/24

COASTAL WATERS FROM EASTPORT, MAINE TO SHREWSBURY, NEW JERSEY

* Unless otherwise indicated, missing and destroyed structures are presumed to be in the immediate vicinity of assigned position. Mariners should

proceed with caution.

* The Local Notice to Mariners is a weekly edition.

* Inquiries, published articles or Information: mail to: D01-SMB-LNM@uscg.mil.

* The U.S. Coast Pilot supplements the navigational information shown on nautical charts.

* The Coast Pilot, along with its corrections, are available online at https://nauticalcharts.noaa.gov/publications/coast-pilot/index.html.

* The Local Notice to Mariners is available online at https://navcen.uscg.gov/local-notices-to-mariners-by-cg-district

* Updated Light List is available online: https://navcen.uscg.gov/light-lists.

* Weekly updates to all Light Lists: https://navcen.uscg.gov/light-lists

* Information on Private Aids to Navigation is available at: http://www.usharbormaster.com/

* Reports of Channel conditions can be found at the Army Corps of Engineers website at:

http://www.nan.usace.army.mil/Missions/Navigation/ControllingDepthReports.aspx.

 $\hbox{* NOAA Chart Corrections and Chart Viewer: https://www.nauticalcharts.noaa.gov}\\$

* NOAA Tides and Currents can be found at: http://www.tidesandcurrents.noaa.gov/.

* Weather: https://www.weather.gov/

* The United States Coast Guard Navigation Information Service (NIS), operated by the USCG Navigation Center, is staffed 24 hours a day, 7 days a

week. The NIS provides information on the current operational status, effective policies, and general information for GPS and DGPS. The NIS also

disseminates Safety Broadcasts (BNM), Local Notice to Mariners (LNM), and the latest Notice Advisory to Navstar Users (NANU). NANU notices can be

obtained via email subscription through the USCG Navigation Center website: https://navcen.uscg.gov/nanu-information. In addition, the NIS

investigates all reports of degradation or loss of GPS, DGPS or AIS service. Users are encouraged to report all degradation or loss of radio navigation

services to the NIS via any of the following: Phone: (703) 313-5900, mail to: tis-sg-nisws@uscg.mil, or on the internet at: https://navcen.uscg.gov/.

PLEASE IMMEDIATELY REPORT DISCREPANCIES IN AIDS TO NAVIGATION TO THE NEAREST COAST GUARD UNIT

COMMANDER, FIRST COAST GUARD DISTRICT (dpw)
408 Atlantic Avenue, Boston, Massachusetts 02110-3350

TITLE

1. Ernest Hamilton -Main Span Superintendent -(904) 451-2979, ehamilton@traylor.com 2. Martir Ortez - Main Span Project Manager - (562) 307-4916, mortez@traylor.com 3. Jim Hummel - Main Span Area Lead -(917) 417-4885, Jim.Hummel@skanska.com Skanska Traylor PNB JV has been awarded the construction of the New Portal North Bridge Project (NJT Contract No. 20-083X, WBS No. GC.02) with a Notice to Proceed of April 7, 2022. Specific to the Hackensack River work, mile 5.0, the project consists of constructing two bridge piers, demolition of the existing center pier north fender, erecting three tied-arch spans of approximately 400 LF (1,200 LF overall), and demolition of the existing bridge once railroad traffic is switched to the new bridge. The current channels status are as below: East channel: Close on or about 10/17/2024 and open on or about 11/1/2024 West channel: Open on or about 10/17, 2024 and close on or about 11/1/2024. Portal **Bridge Waterway** Closure: --The Coast Guard is establishing a temporary safety zone for certain waters of the Hackensack River. This action is necessary to provide for the safety of life on these navigable waters near the Portal Bridge during construction between November 2024 and December 2025. When enforced, entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port New York or a designated

representative. --Although the date for

LOCATION

the first of three 14day windows of full waterway closures has been delayed and is now anticipated to begin Thursday, November 21, 2024, at 12:01 am through Thursday, December 5, 2024, at 12:01 am, there are no current changes in the final two full waterway closures. The anticipated dates for the second and third, 14-day windows of full waterway closures remain December 10, 2024, through December 23, 2024; and January 13, 2025, through January 27, 2025. Additionally, a 90-day comment period will run concurrently with this temporary interim rule to ensure that the regulation is both workable and reasonable. Once the Temporary Interim Rule and request for comments has been published we will be accepting comments at https://www.regulations.gov, and type USCG-2024-0404 in the search box and click "Search". This project will be completed by October 22, 2027. Please be advised that the existing Portal Bridge east channel horizontal clearance (temporary fender) will be maintained at approx. 88ft and west

channel horizontal clearance at 91ft until it's demolished. Mariners are advised to exercise caution when transiting the area.

Equipment on scene will be a monitoring platform: 5 feet by 10 feet rectangular pontoon barge, yellow, with radar reflector and yellow 2.5s light rated 3-6 NM approximately 5 feet above water. Yellow surface floats: 25 inches in diameter, 48 inches tall. Surface floats will be positioned 40 feet north and south of the platform, connected by submerged chain marked by small floats. Mariners are requested to not traverse between these floats and maintain a minimum 150-foot radius around the platform.

TITLE

Replacement -Installation of temporary trestle to the S-32 (Rumson Road) Bridge over Shrewsbury River at mile 4.0 is in progress. There will be barge equipment operating IVO the bridge. For barge placement details, please contact David Nyarko, Resident Engineer at 646-334-2431 or via marine radio VHF-FM CH 13/16. The USCG has approved the revised waterway restriction schedule during the erection of the bascule span girders, counterweight boxes, and four floor beams. A barge will be placed in the channel blocking the full channel width during these dates/times. Vessels and individuals are not authorized within the federal navigation channel during the full waterway closures during these dates/times. The full waterway closure schedule is as follows: September 16th at 6 a.m. to September 20th, 2024 at 6 p.m. - West Span October 21, 2024 at 6 a.m. to October 25, 2024 at 7 p.m. - East Span (weather permitting). November 4th at 6 a.m. to November 8th, 2024 at 6 p.m. -East Span (contingency plan for weather delays, etc.). For the remaining bascule span work, the Shrewsbury River navigational channel will be partially/half closed. The partial/half channel closure schedule is as follows: Full width (75ft) with no restrictions from 4 p.m. on October 11, 2024 to 6 a.m. on October 21, 2024 (open to Marine Traffic). October 25, 2024 at 7 p.m. to December 13th, 2024 at 6 p.m. - (East Half Closed, West Half Open to Marine

LOCATION

Traffic). December 16th, 2024 at 6 a.m., to February 20th, 2025 at 6 p.m. -(West Half Closed. East Half Open to Marine Traffic). February 24th, 2025 at 6 a.m., to May 2nd, 2025 at 6 p.m. -(East Half Closed, West Half Open to Marine Traffic). During the partial/half channel closure, a barge will be within the federal navigation channel under the span being erected, the width of the channel will be reduced to 37'-6", which is half the channel width. At that time, an advanced warning sign with a directional arrow stating "CAUTION CHANNEL WIDTH REDUCED TO 37.5 FT" will be posted. The dates/times for this work may change due to weather delays and other unforeseen circumstances. Updates will be provided, as they are available, in the D1 LNM and on the project website at https://www.rumsonseabrightbridge.comand and click on the Travel Advisory or Channel Info links at the top of the page. To receive e-mail updates for this project select the "Contact Us" tab, then "E-mail List Sign Up" from the dropdown menu. Mariners are advised to exercise caution when transiting the area. The project will be completed by March

17, 2025.

During the repair, the bridge will not be required to open to marine traffic. Vessels that are able to pass under the bridge in the closed position may do so. The contractor will have several barges and workboats alongside the bridge pivot and piers blocking either the east channel or west channel. Work will be conducted during daylight hours only Monday through Friday. Vessels needing to transit are advised to contact the Cianbro work boat via VHF Channel 13 or 16 to arrange for passage. Mariners are advised to proceed at no wake speed and exercise caution when transiting in the vicinity of the bridge. Buoys have been placed on both sides of the bridge advising mariners of transit restrictions. Questions may be directed to Sam Stilwell, Maine DOT, at 207-441- 8639.
