Lower Mississippi River - Ohio River/General/Bridges/Modification	Bridges	Belpre-Parkersburg Highway Bridge; Decorative lights have been installed on the bridge and are energized from dusk to dawn. The decorative lights can be extinguished for 20-minutes by using VHF-FM Channel 28 and clicking the mic three times. If mariners are unable to extinguish the decorative lights, they are advised to report this to U.S. Coast Guard Sector Ohio Valley at (502) 779-5422.	
Lower Mississippi River - Ohio River/General/Miscellaneous	Miscellaneous	Continuing until approximately September 30, 2025, Meuth Constriction Supply Inc., is constructing a facility adjacent to the navigation channel between approximate Miles 789.0 and 791.3, RDB. Sixteen tri-tie dolphins will be constructed to anchor barges along the riverbank. Construction for this facility will be performed from a floating plant. The contractor's floating plant will never extend more than 180 feet from the shoreline, at normal pool. The construction contractor will monitor VHF-FM Channel 7, 13 or 16. Mariners are urged to transit the area with caution.
