DANISH RADIO REPORTING SERVICE (SHIPPOS)

At its thirty-third session, the delegation of Denmark informed the Sub-Committee on Safety of Navigation (NAV 33/15, paragraph 14.2.4) that the Danish ship reporting system (SHIPPOS), referred to in Assembly resolution A.339(XI), had been harmonized with the General Principles for Ship Reporting Systems (MSC 53/24, annex 12) and that the standardized system will enter into force on 1 May 1987.

At the request of the Government of Denmark the attached booklet giving details of the SHIPPOS system is circulated to Member Governments for information.
